

**In the IT sector in which we operate:**

- 1. Full Compliance with Legal Regulations,**
- 2. Keeping Customer Satisfaction at the Highest Level,**
- 3. Determining Service Duration Optimally to Minimize Customer Time Loss,**
- 4. Working with Expert Personnel in Their Fields,**
- 5. Enhancing Personnel Knowledge Levels through Continuous R&D and Training Organizations,**
- 6. Closely Following Technological Infrastructure Developments,**
- 7. Improving Service Quality in the Industry and Raising the Competition to the Highest Level.**

**Our Quality Policy has been communicated and understood by all employees through training provided by upper management and internal communication tools. The Quality Policy is reviewed continuously for compliance during Management Review meetings, and any necessary revisions are decided upon.**
